Disclaimer

The SONOTRONIC Nagel GmbH website has been created with the greatest possible care and diligence, and is checked regularly.

Nonetheless, the data provided are non–binding and solely for general informational purposes; they are not intended to replace detailed, individualized pre–sales consultation. SONOTRONIC Nagel GmbH accepts no responsibility for the currency, accuracy, completeness and/or quality of the information in these pages.

Liability is not accepted for defects in quality or title of the information, software and documentation, particularly regarding its accuracy, its exemption from property rights and copyrights of third parties, its completeness and usability, other than through any wilful intention or fraudulent deceit. Moreover, SONOTRONIC Nagel GmbH accepts no liability of any kind, unless due to binding liability in accordance with product liability law, on account of wilful deceit or fraudulent dealings, or on account of violation of major contractual obligations. The liability due to violation of major contractual obligations is – insofar as it is not intentional or due to gross negligence – limited to typical damage that can be reasonably foreseen.

Although SONOTRONIC Nagel GmbH endeavours to keep its website free from viruses, it can accept no liability for a guaranteed virus–free site. The user of the website is to take all necessary precautions to prevent viruses before downloading any information, software and documentation from it.

Our website contains links to websites operated by other parties. SONOTRONIC Nagel GmbH assumes no responsibility or liability for the function or contents of these links.

Data Protection

In order that we may respond to your inquiries and other communications we ask that you provide certain personal information. Any data you provide will be handled with due care and diligence, and will be used only for the purpose of processing your inquiry. We collect only those data which are actually required, and in compliance with the German laws regarding data privacy and data protection. In no case will data be transmitted to third parties or otherwise offered for sale.

The mail function of this website operates via non-secure Internet data structures. For this reason, SONOTRONIC Nagel GmbH can provide no warranty with regard to the confidentiality or completeness of transmitted data. Before using the mail function, please verify that the information in question is suitable for transmission via the Internet.
